We are pleased to introduce the new Tamil Television Channel, Tharisanam TV, to the Australian and New Zealand Tamil Community. This is a brand new service designed for the local Tamils by the Local Tamils. It will cater for the needs of all sections of our community; from kids, our youth, mums and dads and of course our senior citizens. We have an unmistakeable faith in our community, its resilience and its understanding of the need to preserve our cultural identity for the benefit of our younger generation. We want to provide a high quality Tamil Television Service with rigorous fiscal discipline so that we will continue to have a viable and vibrant service long into the future. We have been thrilled with the support of our community.

The new Tharisanam TV service will consist of 2 separate channels. The first channel will be the signature channel; **Tharisanam TV**. This channel will aim to inform, entertain and educate you without altering your lifestyle in anyway. We want total integration into the Australian and New Zealand way of life but provide you with a programming style that allows you to maximise enjoyment of your own Tamil Television Service. This way we believe that we can capture the interest of the youth, cater for the needs of the working subscribers and keep those at home during the day entertained as well. This channel will feature high quality news, current affairs and progressively increasing local content that reflects our lives in our adopted countries.

The second channel is currently under intense planning. We are trying to maximise efficiency by trying to bring the same content to you as our fellow Tamils in Europe enjoy. This is a work in progress at present and you can expect an announcement very soon.

However, as we mentioned earlier, this TV Service being run for the benefit of the community has to fund itself. Hence, subscriptions are now being sought. Once the channel launches we would be encrypting the service so that subscribers are not disadvantaged. The subscription forms are to be filled in and mailed to;

THARISANAM TV
PO Box 1019
Bundoora VIC 3083
AUSTRALIA

Payment by cheque is the preferred option. You may pay by credit card or direct debit soon, once these facilities are set up. ***Your subscription comes into effect only after the service is encrypted. Until then the service is free.*** However, those who subscribe early will get their smart cards sooner, it is that simple. So go ahead and subscribe.
